5.0	Principals Report	Lori was not present. Mrs. Stack sat in for her. 1. The principal is retiring. A new principal will be announced in Jan 2020. 2. Projectors are in but can't be used yet. It will be 2 weeks to 7 months before the projectors are connected. 3. Fundraising suggestion is a carnival idea. Mrs. Stack offered to help with the outline and how to start.	
5.1	Parents questions, comments for Principal	Mainly to do with Lori retiring. Waiting to see if Lori would like a send off or not.	

<b>6.0</b>	<b>Chairs Report</b>	Entertainment books are done. \$1,500 raised. Suggestion is to not do the “big party” again because the fine print states that PAC has to pay a nominal amount for it which is misleading.	
<b>6.1</b>	<b>Upcoming events, fundraisers</b>	<p>1) Mental Note: when putting together a fundraiser remember to book with Facilities and the school’s admin office.</p> <p>2) Gingerbread house event can be paid through munch a lunch or by cheque. Letters sent out Monday.</p> <p>3) Turkey Fundraiser earned approx. \$200.</p> <p>4) Purdy’s Fundraiser earned \$1,600. Smooth process this year</p> <p>5) Fun lunch moved to the 5<sup>th</sup>.</p> <p>6) Bottle depot drop off: To drop off bottles for donations ask the front counter to drop off. Memo mentioning how to donate the bottles will be sent out before x-mas break.</p>	-Suggestion for fundraiser: Easter Egg hunt. Offer staggered times and hide plastic eggs. Kids collect the eggs and get a grab bag at the end no matter the number collected.
<b>7.0</b>	<b>Treasurer’s Report</b>	Over projected on the money we would have in our fundraiser budget and so we have to work towards fundraising more to pay off the projectors.	-Need to fundraise to pay off projectors.
<b>8.0</b>	<b>DPAC Report</b>	<p>-Any contract is to go through the school and signed by Principal</p> <p>- Fundraisers are school sanctioned and so require Principal approval.</p> <p>- 2 people count money and 1 deposits</p> <p>- Keep Financials for 7 years</p> <p>- Can purchase items through district for discount but the trade off is the time it takes to receive the item.</p> <p>- DPAC is offering someone to come and chat with PACs about school cash online</p> <p>- Gov’t cut back meant the Gaming Grant was \$2,000 less</p> <p>-Mental Health presentation: how we react to stress. The language used is it health vs. mental anguish</p> <p>Anxiety in kids can be fear based which could mean a mental push forward vs. Depression where extra support and time are required</p> <p>ADHD can come with negative thoughts with learning. Support with testing and extra work is needed.</p>	
<b>9.0</b>	<b>Round Table</b>	Coding programs were brought up. Tinker was a suggestion.
