September 8, 2022

Dear Parents & Guardians,

Welcome back to Clinton for the 2022-2023 school year. We hope that you had a restful and eventful summer.

The process of organizing classes is one that the staff and school district take very seriously. Therefore, we follow a process that has been set out for all schools to follow. Part of the process is a consultation with the district to be aware of enrolment shifts in the district and to make sure that resources and staffing are in place for the **real** enrolment, not the **estimated** enrolment. Often there is a tremendous amount of movement over the summer and thus the school and district have to recheck and redistribute before setting classrooms.

We are currently planning and preparing classrooms for the upcoming year by revisiting registration and tentative class organizations built in June. The classes are based on class size and composition, contractual obligations and teacher input from the previous year.

During this week we have been organizing final classroom assignments for the upcoming year. These classes will be posted on Monday, September 12th in the morning in the gym.

- **Intermediate students (grades 4 – 7) are asked to come and check classroom lists at 8:45 AM in the gym.**
- **Primary students (grades 1 - 3) are asked to come and check classroom list at 9:00 AM in the gym.**

Students will then proceed to their new classrooms to meet their teacher for the upcoming school year.

Thank you for your patience as we plan and prepare to meet the needs of everyone for this year.

Sincerely,

Claudio Bortolussi
Principal
